# This Month's News:

## **Message from the Trustees:**

In the last few newsletters we have brought to your attention the following items:

The height of hedges/trees which should be kept at about 2 metres.

The inconsiderate parking on the main access roads especially on bends.

The parking, on a permanent basis, of vehicles prohibited by the local by-laws.

Please comply with these sensible items and do not upset your neighbours by ignoring them.

**AGM:** See the enclosed information.

## **Dancing to Keep Fit:**

Thanks to all those who responded to the questionnaire in last month's newsletter. You will be pleased to hear that we have enough interested people to form a group. All those who responded will be contacted in the very near future.

## **Bingo:**

After its summer break the bingo will start again at 9.00pm in the residents lounge on Monday 3rd October 2011—all are welcome.

## **Ladybridge Park Neighbourhood Watch:**

**Motorbike Thefts—** Our area PCSO Adam Brown has advised us that there have been quite a few burglaries from garages in the local area where motorbikes are being taken and it would appear these are being specifically targeted.

Garages are easy targets since the standard door locks are not a real deterrent and doors and windows are not usually linked to the house alarm system. Residents are therefore reminded to be vigilant and to check their garage and bike security. Even if you leave a motorbike locked in a garage it is always wise to chain it to something secure.
