AGM

The AGM was held on the 25th November in front of 80 people and the accounts duly approved. All nominations for Trustee positions were unopposed and the new Board comprises: Dayan Atenyam; Tony Durrant; Brendan Foley; Ann Gallo and Lawrence Spencer.

As residents will have noted from the accounts, the Club has enjoyed an excellent year, this results from good work by two working groups, many individuals, too numerous to mention, although Rodney Warrender, in particular, deserves great praise for his organisation of the annual Sportsman's Dinner and weekly meat draw.

However, the main person we need to thank is Lorraine Buckley, the Club Manager, who has dramatically increased takings and functions since joining us in March.

We always welcome new recruits to the working groups dealing with Housekeeping and Events. If you are interested please ask at Reception or the Bar for further details.

In the last week we have reviewed and improved the Club security system and also invested in a new steam carpet cleaner to assist with the occasional debris removal following the developments of functions, essential to the Clubs financial basis. Further work in the reception area is

Please Don't Throw Me Away!! You may want me later planned by the Housekeeping Group in the start of 2009. This is the first point of contact for residents/visitors and most important.

Fancy a coffee? Available at the club we have Cappuccino, Espresso, Latte, Ristretto or Regular for only 85p to residents (£1 Non residents) There is also a selection of luxury biscuits for 50 pence.

Community Notices

Beechwood Cancer Care Centre – we have raised £1,111.40 for this splendid local charity. The majority of this money (£858) was generated from the Sportsman's Dinner, again brilliantly organised by Rodney Warrender, the remainder from two of the Dart events.

Keith Harris thanks the residents of Twining Brook Road who contributed to this year's House to House collection in support of the Barnardo's charity. This year we raised £55.29 towards the nationwide total of £214,596. The money will be used to support children who have been abused, to bring new families together through fostering and adoption and to help disabled children live more full lives.

Winter Tips – it is now going dark early and if your property is unlit it is clearly unoccupied and a target for criminals, especially if unalarmed. A

good alarm system and timers for lights may help deter potential unlawful
visitors.

It is always useful to advise your neighbours who the emergency key
holder is, or you could ask your neighbour to be your key holder on a
reciprocal basis. Many people are away over the Christmas holiday period
and unattended residences will be vulnerable to burst pipes, etc – another
reason for ensuring a neighbour has details of key holders.

Finally, Seasonal Greetings to all readers and again thanks to all who have
helped the club in any way, including those who deliver this Newsletter.
