Housekeeping Update

The following is a brief overview of the Housekeeping activities that have taken place in the Club over the last few months. Some major work was undertaken to replace the water tanks, which were in a dangerous condition, breaching Health & Safety Regulations. This has now been completed but has put back the planned work on the Reception refurbishment.

The Housekeeping team has given up a lot of their free time to make curtains, fix rails, fix and clean light fittings, carpet cleaning, helping with gardening and a whole host of other jobs which have resulted in cost savings. Thanks to Brendan and the team and other residents who have given up their time to help with this work. The Housekeeping team meets in the lounge, usually the last Thursday of the month, if interested please leave details at the Club and we will get back to you, or alternatively turn up at one of the meetings which start at 7:00pm.

Another cost saving concerns electricity, frequently the squash and badminton lights have been left on and we have arranged for the lights to be boxed in and players will pay before commencing the activity and the

Please Don't Throw Me Away!! You may want me later staff will arrange for the lights to be turned on and off at the end of the session. Alistair has fitted the box and we are grateful for his work. If any other residents have any cost saving ideas please make them known to us.

Community Matters

If you are interested in quoting for work to the outside woodwork at the Club please ring 485 1188 and leave your name and number. You will then be contacted with full details to enable you to quote.

We did mention previously that there have been incidences of crime and we would reiterate this point. At least two properties have been the subject of burglary and one resident confronted two youths who were clearly about to commit criminal activity. Be vigilant and if you see suspicious activity report it to the police – DO NOT WAIT FOR SOMEONE ELSE TO DO IT AS THEY MAY NOT BOTHER – if a crime is in progress ring 999, if activity is suspicious ring 872 5050.
