2009

The Club continues to maintain a steady income despite the current economic climate and function bookings are encouraging. There are still a few dates free in December so if you are planning an event contact Lorraine or the staff for details.

AGM

The Annual General Meeting will take place on Thursday 26th November at 7:30pm in the Lounge. A leaflet will be distributed prior to that date to all plot holders providing a detailed report of the Accounts and general information concerning the meeting itself. This will include nominations for the Management Company. We are always trying to recruit residents to join the Management Committee or Events or Housekeeping Groups. Nominations must be made by plot holders whose management charges are paid up to date. The nominations must be in writing with the full name and address of both the candidate and the plot holder making the nomination. Any nomination must be handed in to the office two weeks prior to the Annual General Meeting. The names of prospective candidates will be displayed on the Club notice board prior to the AGM. **One member of the Management Company is obliged to stand down each year by rotation**

Resolutions: Any resolution needs to be put forward by a plot holder. The resolution must have the signature of ten plot holders and be handed in to the office two weeks prior to the AGM.

This Newsletter is displayed on our website and is available to view for those with internet access. It has been proposed that in future we could reduce the cost of the Newsletter by delivering copies to those who do not have internet access or cannot collect a copy of the Newsletter from the Club. Most residents should be able to collect their Newsletter or print a copy from the website. Obviously a number will not fall into this category and we will be happy to continue delivering the Newsletter to those residents. If you wish us to continue delivering the Newsletter please return the form at the foot of this Newsletter or phone the office 485 1188.
