MESSAGE FROM MANCO

Hi All

The new Management Company have experienced initial teething problems, due to taking over a new club with no existing directors, accentuated by the early resignation of the Manager. However matters are now under control and we would like to thank the people who, like ourselves, are freely working to help move the Club forward. Anybody else prepared to offer assistance please contact us via/Office/bar. In the meantime thank you for your patience.

Reducing the club opening hours was a temporary measure and has now been resolved. (see overleaf). Christmas opening hours will be announced shortly. As previously advised, the New Years Eve Party is free. In order to get an idea on the likely numbers attending, tickets will be issued and should be collected in advance by calling in at Reception, your help on this one would be appreciated.

As promised, we will keep everyone updated with regular communications from the club and take this opportunity of wishing everyone a Merry Christmas and a Happy New Year.
