## **Message from Manco**

Well the festive season is now well and truly over and thoughts turn towards spring and then forward to the warmer days of summer. Better weather and lighter evening hopefully will encourage us to come out more and hopefully you will be joining us at your club.

In the meantime we would like to look at improving the facilities and ambience of the club. Of course employing people to do work is quite demanding on the limited resources that the club has. However one resource we do have is people willing to help, and volunteers to move the club forward. We have been blessed so far with people willing to give time and energy especially over the festive period when we all have so many other demands.

Hopefully the spring will kick start our efforts to give our club a new and fresher look. So if you would like to help out, especially if you have a trade that would be useful to the running of the club can I encourage you to consider coming forward and volunteering your services.

You can find out more and put your name forward anytime at the club but a great place to start would be at the **Resident's Cheese and Wine Evening**. This will be held in the Residents Bar from 7.30pm on Tuesday the 22<sup>nd</sup> January 2008. This will be an informal get together and you can talk to the members of the management team.

Please find with newsletter a poster advertising our function rooms. If we could get regular use for family functions etc the income would relieve the financial burden in running the club. **Please put the poster somewhere where it may attract attention such as your place of work.**

We have lots going on at the moment so read through this newsletter to keep up to date and keep it somewhere safe for reference,

Stuart Ben Brendan Lawrie and Darren your MANCO Team

Please don't throw me away –you may need me later

### Web site/Newsletter

We have a web site under construction at the moment at [www.ladybridgepark.co.uk](http://www.ladybridgepark.co.uk). One of the features of this site will be to have a current issue of the residents newsletter for those who prefer to receive it this way.
