Message from Manco

SEASONAL GREETINGS TO YOU ALL.

As 2007 comes to a close many of us will reflect on what has happened over the last 12 months in the different areas of our lives. Time brings changes, the familiar passes and new ideas come forward. Over the last 12 months many people have been involved in making this club function. Some have a high profile whilst others work behind the scenes and their work may not be so readily recognised. For some it is a source of income whilst others volunteer their time and efforts for the good of our neighbours. Each and every one of them has contributed to the running of this club and we give them our thanks.

So what will 2008 bring? Well we still need the help we have been given before and hopefully we will have new people joining us with their new ideas. This is your club and we urge you to get actively involved. For too long, some people have felt detached from the club, and feel that it has not catered for their needs or interests. Now we urge these people to come forward with ideas that may enhance the activities here.

The year 2008 holds a lot of potential for the club and the members of Manco would like to share our ideas with you. At the AGM in November we promised to hold a meeting with the residents early in the New Year and this is to take place on Tuesday the 22nd January 2008. More information later in this news letter.

But for now may we wish each and everyone a Merry Christmas and peaceful and prosperous New Year.

Ben, Darren, Lawrence, Stuart and Brendan.
Your MANCO Team
